

# 4 COMMITMENTS STUDY - WALK

This four-week study on the W's of quality discipleship will help us all make the most of the time that remains. Each week will challenge us to make a commitment to do something new to take more ground for the Lord Jesus as The Day draws near. Let's increase the quality of our discipleship. Let's expand the reach of the gospel. As His church, let's give our highest and best for the Lord as His return draws closer.

## 1. BEFORE YOU BEGIN: PLAY THE WALK TEACHING VIDEO AVAILABLE AT [HARVESTCLOSER.ORG/STUDY](http://HARVESTCLOSER.ORG/STUDY)

## 2. STUDY

What does it mean to "walk with God?" Why do you think God chose to use that particular word picture in the Bible?

---

---

Read Ephesians 4:17-24 and 1 John 2:6. Based on these verses, how are we supposed to walk with Christ?

---

---

---

What happens to us as we increasingly walk with Christ?

---

---

---

## 3. APPLY

What does your spiritual pedometer look like? Is it moving forward, stalled out, or ticking backwards?

---

---

How would you describe your current habits and rhythms?

---

---

As you increase the intensity of your walk with Christ, you may have to make difficult choices with how you spend your time. What are your biggest distractions and time-wasters?

---

---

What would it take to have your best season ever in your walk with Christ?

---

---

Choose one **HABIT** or **FEAT** to make for your CLOSER commitment from the list below. Let's go after this with our highest intensity. May this best our best year with Christ yet!

CLOSER Prayer 7 of 11

Lord, you are the alpha and the omega, the beginning and the end. You hold our lives in your hands. You know the future as you know the past. You say in your word that you will guide our steps. Help us to look to you and you alone for direction, for sustenance, and for courage to walk the path you have laid out for us. Guide our steps and we will follow hard after you!
