

4 COMMITMENTS STUDY - WITNESS

This four-week study on the W's of quality discipleship will help us all make the most of the time that remains. Each week will challenge us to make a commitment to do something new to take more ground for the Lord Jesus as The Day draws near. Let's increase the quality of our discipleship. Let's expand the reach of the gospel. As His church, let's give our highest and best for the Lord as His return draws closer.

1. BEFORE YOU BEGIN: PLAY THE WITNESS TEACHING VIDEO AVAILABLE AT HARVESTCLOSER.ORG/STUDY

2. STUDY

When did you first hear the gospel?

Read Romans 10:9-15. Paul is providing a short process of how one comes to be saved. What is the first step in this process?

You've heard the quote, "Preach the gospel at all times. Use words if necessary." Looking back at the verses you just read, why is this an inherently wrong statement of our responsibility to preach the gospel? What is our responsibility?

3. APPLY

Read 2 Timothy 2:8-10. Paul is making a connection between his personal suffering and the advance of the gospel. Your life (pain, struggles, successes, and failures) can amplify your words and make a connection with the people around you. What life experiences has God brought you through that will help you connect to others as you share the gospel?

If someone isn't ready to receive Christ, "don't bruise the fruit." What life circumstances prepare people (ripen) for the gospel?

Be strategic and wise. Think of those around you and their life circumstances. Who do you think is ready (ripe) to hear the gospel?

In the spaces below, write down the names of the **5 PEOPLE** that you think are most ready to hear about Christ. Commit to praying over these names as we near the Closer Commitment Weekend on December 1st & 2nd.
