

4 COMMITMENTS STUDY - WORK

This four-week study on the W's of quality discipleship will help us all make the most of the time that remains. Each week will challenge us to make a commitment to do something new to take more ground for the

Lord Jesus as The Day draws near. Let's increase the quality of our discipleship. Let's expand the reach of the gospel. As His church, let's give our highest and best for the Lord as His return draws closer.

1. BEFORE YOU BEGIN: PLAY THE WORK TEACHING VIDEO AVAILABLE AT HARVESTCLOSER.ORG/STUDY

2. STUDY

Describe the difference between a christian consumer and a disciple of Jesus.

Read 1 Corinthians 12:1-27 and 1 Peter 4:10. Why do you think God gives us spiritual gifts?

Paul uses the example of the body to describe how the gifts ought to function inside the local church. Put this into your own words. How are the gifts He gives supposed to work inside the church?

What happens to the body of Christ (the church) when your gifts aren't used?

What happens to you personally when you don't use what God's given to you to actively work for Christ - when you don't work to maximize your personal ministry?

3. APPLY

Assess the effectiveness of your personal ministry. How would you describe the fruit you're seeing from the service you're giving?

How can you specifically work to grow the effectiveness of your personal ministry?

Choose one commitment to make regarding your **ROLE** from the list below. No matter where we are, we can all grow in ministry effectiveness!

Lord, you say in Your Word that the harvest is plentiful, but the workers are few. We are here, Lord, to be Your workers. We are here to be Your presence in the world, in our communities. Give us willing hearts and able hands to serve You in deeper ways.
